COUNTY OF HOT SPRINGS)

OFFICE OF THE BOARD OF
COUNTY COMMISSIONERS
THERMOPOLIS WYOMING
August 5, 2014

The Hot Springs County Board of Commissioners met in regular session on Tuesday, August 5, 2014 at 9:00 a.m. in the Commissioners Room at the Government Annex.

Present were Commissioners Mike Baker and Brad Basse. Commissioner Lumley was absent due to business out of town. Also present were County Clerk Nina Webber, County Attorney Jerry Williams and Administrative Assistant to the Commissioners Penny Herdt. Chairman Baker led those present in the Pledge of Allegiance.

Approval of Agenda

Brad Basse made a motion to approve the agenda with the following change:

ADD: Ross Rhodes 10.b. Museum Leak Discussion

Mike Baker seconded the motion. Motion carried.

Approval of Minutes

Brad Basse made a motion to approve the minutes of the regular meetings on July 1 and 15, 2014 and the special Final Budget Hearing meeting on July 21, 2014 as presented. Mike Baker seconded the motion. Motion carried.

Emergency Management Monthly Report

Emergency Management Coordinator Bill Gordon asked that the Commissioners be aware of the maintenance contract with Motorola that renews annually. At this time, the contract is paid for with Homeland Security funds, but Mr. Gordon anticipates that these funds may not be available at the 2015 renewal date. No action required at this time. Mr. Gordon brought to the Commissioners' attention the fact that there is no back door on the Senior Citizen's Center to be used as an alternate escape route in the case of an emergency situation. He would like the Commissioners to consider ways to fund the construction of such an exit in the interest of public safety. No action taken at this time.

Mr. Gordon presented the FY 2014 Emergency Management Performance Grant, which provides \$15,000.00 in funding for his department over an eighteen-month period. The County Attorney has reviewed the grant and has no objections to it. Brad Basse moved to approve the Homeland Security EMP Grant for a total project amount of \$30,000.00, at a 50-50 match rate for a total funding amount of \$15,000.00 for the time period of October 1, 2013 – March 31, 2015. Mike Baker seconded the motion. Motion carried.

The Commissioners discussed the recent Court Security Management Committee meeting with Mr. Gordon. Commissioner Baker asked about the availability of Homeland Security funds for court security measures. Mr. Gordon replied that there is not much left in the way of funds and that, in any case, those funds could only be used for equipment, not for construction. The Commissioners asked that the Court Security action discussion be placed on the September 19th meeting agenda.

Maintenance Monthly Report

Maintenance Foreman Chuck Carver requested the Commissioners authorize funding for a countertop and two sets of drawers to aid in the implementation of the new fingerprinting system in the Jail. Brad Basse moved to authorize the expenditure of up to \$2,200.00 for a countertop and drawers for the fingerprint machine in the jail with funds to come from the Capital Improvement line item. Mike Baker seconded the motion. Motion carried.

Mr. Carver discussed the leak into the museum that occurred August 4th. The apparent cause of the leak was a neighbor's soaker hose running overnight behind the museum. Repairs are going to be necessary to the sheetrock, wooden facades and paint. There was no damage to any artifacts at the museum.

Director Ross Rhodes will be present later in the meeting to discuss possible solutions to this issue.

The Maintenance department is working on various ways to address the electrical demand charge at the Library. Commissioner Basse suggested Mr. Carver check into possible incentive programs available through Rocky Mountain Power.

There has been a problem in the LEC with the VAV static pickup tubes clogging up and giving faulty readings. Mr. Carver is working on a fix for this issue.

The new heat pumps are experiencing shut downs due to high condensate levels. Mr. Carver is investigating various solutions for this problem

Commissioner Basse asked Mr. Carver to check the Annex outside lighting more frequently, as there are again several lights not working.

Road & Bridge Monthly Report

R&B Supervisor Dave Schlager reported that they are still hauling gravel to fill in a couple of areas on Kirby Creek road. The rental trackhoe was used for several projects over the last month and has been returned. The chipping project will begin August 19th. Road blading continues as moisture conditions permit. Regarding work on Black Mountain road, Mr. Schlager reported that all the culverts on the road need replaced and much of the pavement is in serious need of repair. WYDOT has indicated a willingness to do the engineering required to determine the extent of the necessary repairs if requested to do so by the Commissioners. Brad Basse moved to authorize the chairman or his designee to contact WYDOT District 5 Engineer Shelby Carlson to request engineering assistance for the Black Mountain road repairs. Mike Baker seconded the motion. Discussion: Commissioner Basse offered to contact Ms. Carlson as he is currently working in the Basin area on a daily basis. Chairman Baker accepted the offer. Motion carried.

Mr. Schlager discussed the ongoing issue of the relocation of County Road 19. No progress has been made on the relocation in some time so Mr. Schlager would like to schedule a work session with the affected landowner, Road & Bridge representatives, the Commissioners, and a local engineering company representative. The Commissioners asked Mr. Schlager to meet with their staff to arrange and date and time for this work session.

Mr. Schlager discussed the upcoming blade purchase for his department. He has received price estimates from two different companies in the amount of \$220,000.00. Clerk Webber was asked to obtain quotes from local lenders for a two-year municipal lease. The Commissioners asked Mr. Schlager to obtain bids for a blade from the CAT and John Deere dealers to include trade-in of one of the old Champion blades, a municipal lease proposal and a guaranteed buy-back price.

No paperwork was received for the Joel Coleman/Cowboy Mine Road Utility License application, so that agenda item was tabled until such time as the paperwork is received.

Planner Monthly Report

Planner Bo Bowman reported the NRPC will meet on August 13th. Mr. Bowman distributed a letter drafted by the NRPC encouraging the Commissioners to continue their support for the Pehringer Sage Grouse Study and the Predator Board. The NRPC is scheduled for a tour of the Hot Springs State Park and the hot water facilities with Park Superintendent Kevin Skates on August 12th at 1:00 p.m. Mr. Bowman noted that the Commissioners are welcome to participate in this tour if any of them would like to. Consideration of the Revised Natural Resources Plan was tabled to the September 2nd meeting to allow more time for review and for input from Commissioner Lumley

The Land Use Planning Committee will not meet in August. Mr. Bowman reported that he continues to work on the County Land Use Plan revision.

Miller-Schmidt Subdivision Preliminary Plat

Project engineer Anthony Barnett appeared to ask the Commissioners for further consideration of the preliminary plat for the Miller-Schmidt subdivision proposed for an area south of Thermopolis. County Attorney Jerry Williams reiterated his misgivings about preliminary plat approvals. He feels it would be acceptable to approve this particular preliminary plat only if there is another public hearing in conjunction with review and approval of the final plat.

Brad Basse moved approval of the preliminary plat for the Miller-Schmidt subdivision as presented at the public hearing held on July 15th, subject to the ten conditions put forth by the Land Use Planning Committee and an additional condition that, prior to the approval of the final plat, a public hearing be held and the punch list items identified in the memo generated by County Planner Bo Bowman on July 28, 2014 are addressed. Mike Baker seconded the motion. Discussion: Commissioner Basse noted that the ingress road to the subdivision has been sold to the developer by the Lutheran Church. Advertising for the public hearing and related written notifications will be borne by the County through the Planner's budget. Motion carried.

2014 Mill Levy Report

Assessor Shelley Deromedi presented the 2014 Report of Valuation, Levies & Taxes for the Commissioners' consideration. Total assessed valuation for 2014 is \$227,516,949.00 for a total assessment amount including special districts levies and fee requests of \$14,718,798.00. Brad Basse moved to approve the 2014 Report of Valuation, Levies & Taxes as presented and to direct the Assessor to place the mill levies and special fee requests on to the 2014 County tax rolls. Mike Baker seconded the motion. Motion carried. The full mill levy listing document is available in the Clerk's Office for public viewing.

Youth Alternatives Monthly Report

Director Alan Rossler reported he has six participants in the diversion program, two on supervised probation and no 48-hour holds in July. Participants have had ample community service opportunities over that last couple of months and have been very successful in fulfilling their requirements. Mr. Rossler has been given a September date for notification on the VOA-OJJDP grant application but anticipates it will be closer to November before he receives the award notification.

Other Business

Consider Hospital Board Member Resignation – Carol Pickett submitted her resignation from the Hospital Board. Brad Basse moved to accept her resignation, send a letter to her thanking her for her service to the County, and authorize the Clerk to advertise the opening for the unexpired term ending June 30, 2015, with an appointment date of September 2, 2014. Mike Baker seconded the motion. Motion carried.

OCWD CDBG Grant Draft Request #28 – Cody Schatz presented CDBG Grant Draft Request #28 for the Owl Creek Water District's expansion project for the Commissioners' consideration. Brad Basse moved to approve the Wyoming Business Council Investment Ready Communities Grant Draft Request #28 for the Owl Creek Water District Water Supply project in the amount of \$5,086.00. Mike Baker seconded the motion. Motion carried. Mr. Schatz reported that the recent bid opening for the extension phase of the project resulted in a bid award to High Country Construction out of Riverton in the amount of \$850,000.00. The project is expected to be completely finished by December of this year.

The Commissioners reviewed the correspondence items. No action was required at this time.

Public Hearing – Owl Creek Water District Petitions for Inclusion without Election

Chairman Baker opened the public hearing for the OCWD Petitions for Inclusion without Election at 11:45 a.m. Engineering Associates/OCWD representative Cody Schatz presented certificates of approval by the Owl Creek Water District of Petitions for Inclusion in the OCWD from the Owl Creek Water District, Eddie Lee & Beverly Shumway and Marko M. Jukanovich. These petitions have also been reviewed by the Assessor and the State Department of Revenue. The OCWD Board is asking the Commissioners to approve by resolution the Petitions For Inclusion in the amended district map. After three calls for public comment, receiving none, Chairman Baker declared the public hearing closed at 11:48 a.m. Brad Basse moved to approve by Resolution & Order 2014-05 the inclusion of the properties of the Owl Creek Water District, Eddie Lee & Beverly Shumway and Marko M. Jukanovich as legally described in their petitions and on the Amended Owl Creek Water District Map . Mike Baker seconded the motion. Motion carried. Resolution 2014-05 reads as follows:

**RESOLUTION & ORDER 2014-05
OF THE HOT SPRINGS COUNTY BOARD OF COUNTY COMMISSIONERS
INCLUDING THE PETITIONING LANDOWNERS INTO OWL CREEK WATER
DISTRICT WITHOUT ELECTION OF ADDITIONAL BOARD MEMBERS**

THIS MATTER of the Inclusion of additional landowners in the Owl Creek Water District has come before the Hot Springs County Board of County Commissioners (herein call "the Board"), pursuant to Resolution 2013-02, entitled Petition for Inclusion of Petitioning Landowners within Owl Creek Water District. The Board finds that the Petition is properly signed by the all the voters within the area to be included and filed with the County Clerk and that an order should be entered approving the Petition; therefore;

IT IS HEREBY ORDERED by the duly elected, qualified and acting Hot Springs Board of County Commissioners, by and through its Chairman, that the Petition for Inclusion of Petitioning Landowners within Owl Creek Water District is hereby APPROVED and the Owl Creek Water District, Eddie Lee and Beverly Ann Shumway, and Marko M. Jukanovich and their associated real properties as described in their applications are included within the Owl Creek Water District.

IT IS FURTHER HEREBY ORDERED AND HELD that an election need not be held for an additional director as none is required in accordance with Wyoming Statutes.

IT IS FURTHER HEREBY ORDERED AND HELD to amend the Owl Creek Water District map to include the real property of the Owl Creek Water District, Eddie Lee and Beverly Ann Shumway, and Marko M. Jukanovich as described in their Petitions for Inclusion.

DATED this 5th day of August, 2014.

BOARD OF COUNTY COMMISSIONERS OF HOT SPRINGS COUNTY, WYOMING

Nina Webber, County Clerk

Airport Update

GDA representative Jeremy Gilb informed the Commissioners that between the time the last grant reimbursement requests were approved and their submission to the FAA, the federal rules for the grant were modified, so the first two RFR's presented at this meeting will be revisions.

FAA AIP-03 Request For Reimbursement # 11-REVISED – Mr. Gilb presented Revised FAA Request for Reimbursement #11 for the Commissioners' approval. Brad Basse moved approval of Revised FAA Project 3-56-0043-03 RFR #11 in the amount of \$583,567.00. Mike Baker seconded the motion. Motion carried.

WYDOT-Aeronautics Division THP-11D-3024 Request for Reimbursement #11-REVISED – Mr. Gilb presented Revised WYDOT-Aeronautics Division Request for Reimbursement #11 for the Commissioners' approval. Brad Basse moved approval of Revised WYDOT-Aeronautics Division Project THP-11D-3024 RFR #11 in the amount of \$51,873.00. Mike Baker seconded the motion. Motion carried.

FAA AIP-04 Request For Reimbursement # 1 – Mr. Gilb presented FAA Request for Reimbursement #1 for the Commissioners' approval. Brad Basse moved approval of FAA Project 3-56-0043-04 RFR #1 in the amount of \$188,029.00. Mike Baker seconded the motion. Motion carried.

WYDOT-Aeronautics Division THP-11E-3030 Request for Reimbursement #1 – Mr. Gilb presented WYDOT-Aeronautics Division Request for Reimbursement #1 for the Commissioners' approval. Brad Basse moved approval of WYDOT-Aeronautics Division Project THP-11E-3030 RFR #1 in the amount of \$16,713.00.00. Mike Baker seconded the motion. Motion carried.

FAA AIP-04 Request For Reimbursement # 2 – Mr. Gilb presented FAA Request for Reimbursement #2 for the Commissioners' approval. Brad Basse moved approval of FAA Project 3-56-0043-04 RFR #2 in the amount of \$826,258.00. Mike Baker seconded the motion. Motion carried.

WYDOT-Aeronautics Division THP-11E-3030 Request for Reimbursement #2 – Mr. Gilb presented WYDOT-Aeronautics Division Request for Reimbursement #2 for the Commissioners' approval. Brad Basse moved approval of WYDOT-Aeronautics Division Project THP-11E-3030 RFR #2 in the amount of \$73,445.00. Mike Baker seconded the motion. Motion carried.

WYDOT-Aeronautics Division THP-11B-2794 Request for Reimbursement #17 – Mr. Gilb presented WYDOT-Aeronautics Division Request for Reimbursement #17 for the Commissioners' approval. Brad Basse moved approval of WYDOT-Aeronautics Division Project THP-11B-2794 RFR #17 in the amount of \$4,615.00. Mike Baker seconded the motion. Motion carried.

Phase III a. Change Order No. 3 – This change order deals with the under-drain system to deal with the seep discovered on the airport property. Mr. Gilb presented the Commissioners with two options for production of the gravel required for the drain system and discussed the merits of each. Brad Basse moved to approve Change Order No. 3 for the Airport Relocation Project, Phase III with the on-site gravel screening option for a total change amount of \$100,884.60, with the chairman's signature to be

affixed after receipt of formal concurrence from the FAA and WYDOT-Aeronautics Division, and signing of the document by the Phase III contractor and project engineer. Mike Baker seconded the motion. Motion carried.

b. General Update – Phase III is progressing according to schedule. Mr. Gilb noted that at least two of the light pole bases are out of plumb. The Commissioners agreed the bases should be removed and re-poured so they are level. Mr. Gilb will notify the subcontractor of this request.

Phase IV a. There will be a “pre-paving” meeting at the site at 11:00 a.m. on August 6th to ensure everyone is on the same page before paving starts on September 8th. Paving is expected to be completed by October 7, 2014.

WACIP Update – Mr. Gilb reported he is working on estimates for the various types of hangars that might be constructed at the new airport, as well as estimates for moving some of the hangars from the current site to the new one. Mr. Gilb reminded the Commissioners of the WACIP Web-Ex phone meeting on Thursday, August 14th at 8:30 a.m.

Relocation Update – Dustin Spomer reported there has not been much progress in obtaining the second quote from the moving companies. He will continue to work on this with Ms. Colby of Dryden-LaRue. Mr. Spomer will also work with the County Attorney on the “displaced persons” issue.

Museum Issues

Health Insurance – Museum Employee – Museum Director Ross Rhodes appeared before the Commissioners to request that his budget be increased to allow one of his employees to increase her hours to 32 hours per week so that she could be eligible for the County’s health insurance plan. The Commissioners pointed out that they had already declined to increase hours/add staff for several other County entities for this budget year, and told Mr. Rhodes that he would have to figure out how to get the additional money from his current budget for salary and insurance costs if he wanted to do this.

Museum Leak – Director Rhodes reported further on the leak that occurred in the basement of the Museum on August 4th as discussed with Chuck Carver earlier today. The Commissioners asked Mr. Rhodes to contact Rick Hudson to try to confirm the location of the property line in the area of the leak. Mr. Rhodes was instructed to go ahead and work with Mr. Carver to make the necessary repairs and talk to the neighbor potentially involved in the situation to try to ensure it doesn’t happen again.

LGLP Deductible – Mr. Rhodes and Deputy Clerk Karen Slocum reported that, due to a change in the way the annual insurance renewal is being handled, the deductible was inadvertently reduced to \$500.00 from \$5000.00. The Commissioners asked that the deductible be restored to \$5,000.00 effective immediately. Ms. Slocum will contact LGLP to effect this change.

Approve Bills

The following bills were submitted for approval: (see attached). Payroll for July, 2014 - [\\$172,238.81](#).

Adjournment

There being no further business to come before the Board at this time, Brad Basse moved to adjourn. Chairman Baker declared the meeting adjourned at 3:07 p.m.

Attest:

Mike Baker, Chairman

Nina Webber, Clerk to the Board
