

STATE OF WYOMING)
)
COUNTY OF HOT SPRINGS)

OFFICE OF THE BOARD OF
COUNTY COMMISSIONERS
THERMOPOLIS WYOMING
February 3, 2015

The Hot Springs County Board of Commissioners met in regular session on Tuesday, February 3, 2015 at 9:00 a.m. in the Commissioners Room at the Courthouse.

Present were Commissioners Brad Basse, John Lumley and Tom Ryan. Also present were County Clerk Nina Webber, County Attorney Jerry D. Williams and Administrative Assistant to the Commissioners Penny Herdt. Brad Basse led those present in the Pledge of Allegiance.

Approval of Agenda

John Lumley made a motion to approve the agenda with the following addition:

ADD: Other Business 4. Youth Alternatives Process Discussion

Tom Ryan seconded the motion. Motion carried.

Approval of Minutes

Tom Ryan made a motion to approve the minutes of regular meetings on January 6th and 20th as submitted. John Lumley seconded the motion. Motion carried.

Hot Springs County Board Appointments

Clerk Webber presented the applications for the county board openings to the Commissioners as follows:

<u>Fair Board</u>	1 opening / 7 applicants
<u>Library Board</u>	1 opening / 1 applicant
<u>Predatory Animal Control Board</u>	2 openings / 2 applicants
<u>Weed & Pest</u>	2 openings / 4 applicants

The Commissioners reviewed the applications received in response to the advertisements placed in the Independent Record. Clerk Webber reviewed the requirements for board applications – Each applicant was to have filled out a Board Member Application form and returned it to the Clerk’s office no later than 5:00 p.m. on January 30, 2015. One application for the Fair Board was disqualified as it was received after the deadline. Two applications for the Weed & Pest Board were incomplete (no landowner petition attached, no Area specified) and one was received after the deadline, so they were also disqualified. Clerk Webber tabulated the ballots and announced the results. John Lumley moved to appoint the following positions:

<u>Fair Board</u>	Dawn Peil
<u>Library Board</u>	Scott Shoop
<u>Predatory Animal Control Board</u>	Scott Miller - At-Large, Earl Jackson - Sportsman
<u>Weed & Pest</u>	Arnold Pennoyer-Area 2, Dee Hillberry-Area 5

Tom Ryan seconded the motion. Discussion: a notification letter will be sent to all applicants thanking them for their interest. Motion carried.

Road and Bridge Monthly Report

Road and Bridge Supervisor Dave Schlager reported that Engineering Associates has completed copying of the Mylars and maps for the road records and is now working on indexing the files. Snow plowing continues as needed. The new blade is working great. Winter machinery repair and maintenance is continuing. Mr. Schlager reminded the Commissioners of the Black Mountain Road project steering committee meeting with WYDOT on February 11th.

Mr. Schlager presented three approach agreements with Vecta Oil & Gas for the Commissioners’ approval. All required fees have been received. Tom Ryan moved to approve the approach agreements between Hot Springs County and Vecta Oil & Gas as follows:

1. An approach at 2737 East Cottonwood Creek Road (CR 13), 4.7 miles from the start of CR 13, to include a 45’ culvert installed by the Road & Bridge Dept. and paid for by applicant.
2. An approach at 2785 West Sand Road (CR 18W), 4.6 miles from the start of CR 18W, to include a 45’ culvert installed by the Road & Bridge Dept. and paid for by applicant.
3. An approach at 2719 East Cottonwood Creek Road (CR 13), 4.4 miles from the start of CR 13, to include a 45’ culvert installed by the Road & Bridge Dept. and paid for by applicant

John Lumley seconded the motion. Motion carried.

County Planner Monthly Report

Planner Bo Bowman reported that the Natural Resources Planning Committee will meet next week. Some of the newer items on their agenda include the changing federal situation regarding feral horses, potential options for the culling of ravens and crows, and state control of public lands. The Land Use Planning Board will meet on the 18th to discuss Brad Lofink's application for a land use change for his home-based vehicle sales business. The annual DEQ permit renewals for the County gravel pits, as well as his annual septic system report for the DEQ have been submitted, with copies provided to the Commissioners. The Commissioners encouraged Mr. Bowman to attend the upcoming BLM Oil & Gas Training Day to be held in Worland on February 19th.

Emergency Management Monthly Report

Emergency Management Coordinator Bill Gordon reported that he has forwarded the County's Ag Disaster Declaration to Sherri Harvey with the FSA for her files for use going forward. Mr. Gordon reported on a flood management meeting he attended recently at the Fire Academy hosted by Wyoming Homeland Security. Mr. Gordon is currently working on a Flood Evacuation Plan for the County, including providing Inundation Maps for use by local citizens for advance planning.

Maintenance Monthly Report

Museum Roof Project – Mr. Carver reported he expects the project to be out for bid by the end of the month. The asbestos report has been received and shows no asbestos in the roof, and only a minimal amount in the sealer that has been placed on the roof. Per Mr. Carver's conversation with the DEQ, there should be no need for asbestos abatement as long as the roof is not removed. An architect has been hired and is working on a site survey. The Commissioners asked Mr. Carver to ensure that the contractor preference requirements for the consensus grant funds are met on this project.

Annex Drainage – Mr. Carver reported that there is an ongoing problem with drainage from the parking lot towards the Annex Building foundation instead of away from it. He has placed temporary drains on the downspouts until he can work out a solution to this matter.

WYECIP Project – Work continues to iron out the various issues preventing the release of final payment for this project. No communication has been received from Trane in over a month. Mr. Carver is still working to resolve the heat pump issues, temperature differentials, light sensor problems, etc. He will email a report to the Commissioners when it is finished. Commissioner Basse asked Mr. Carver to communicate with Trane representatives to let them know he is the new Commissioner contact and must be kept in the communication loop.

General – Boiler repairs are underway and will be completed when the needed parts are received.

Military Memorial Tiles – Museum Director Ross Rhodes appeared before the Commissioners to discuss damage to the military memorial during snow plowing operations in front of the museum by county employees. After reviewing pictures of the damage, Chairman Basse asked Mr. Rhodes to begin the process of replacing the cracked and broken tiles as soon as possible. Funds for the repairs will likely have to come out of the Other County Buildings budget line item.

Resolution 2015-02 – Magistrate Appointments – Pursuant to a recommendation by the 5th Judicial District Circuit Court, John Lumley moved to approve Resolution 2015-02 appointing part time cross-county magistrates to assist the Circuit Court as follows:

**BEFORE THE BOARD OF COUNTY COMMISSIONERS HOT SPRINGS COUNTY
RESOLUTION NO. 2015-02**

WHEREAS, Hot Springs County Circuit Court of the 5th Judicial District is in need of Part-time Magistrates; and

WHEREAS, effective July 1, 2006 Magistrates must reside in the 5th Judicial District, Washakie, Park, Hot Springs and Big Horn County; and

WHEREAS, the appointment of cross-county part-time magistrates will aid the Circuit Court in the assignment of cases where conflicts of interest arise and otherwise allow the Court to manage its docket more efficiently; and

WHEREAS, the Circuit Court Judges have recommended the appointment of the following attorneys as part-time magistrates:

Edward G. Luhm, resides in Washakie County

Bobbi Overfield, resides in Hot Springs County
Jill Jacobson Logan, resides in Hot Springs County
Kristen Schlattmann, resides in Big Horn County
Randy L. Royal, resides in Big Horn County.

WHEREAS, it is in the best interests of the administration of justice for the citizens of Hot Springs County that the above-named attorneys be appointed as part-time magistrates in and for the circuit Court of Hot Springs County, fifth Judicial District,

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF HOT SPRINGS COUNTY that Bobbi Overfield, Edward G. Luhm, Randy L. Royal, Jill Jacobson Logan and Kristen Schlattman be appointed as part-time magistrates for the Circuit Court, pursuant to W.S. 5-9-110 subject to further Order of the Circuit Court Judge.

RESOLVED THIS 3RD day of February, 2015.

ATTEST:

Nina Webber, County Clerk

Brad Basse, Chairman
John Lumley, Vice-Chairman
Tom Ryan, Commissioner

Tom Ryan seconded the motion. Motion carried.

Fire Warden Resignation – Jay Duvall submitted his resignation as County Fire Warden. Tom Ryan moved to accept Mr. Duvall's resignation, send a letter thanking him for his service to the County, and begin the process of seeking his replacement. John Lumley seconded the motion. Discussion: per County Attorney Williams, the usual process for replacing the Fire Warden involves the Fire Department seeking letters of interest, forwarding a recommendation to the Commissioners, and appointment of the new Fire Warden by the Commissioners. Alternatively, the Commissioners could bypass the Fire Department and make the appointment on their own. The Commissioners elected to seek a recommendation from the Fire Department for appointment at the February 17th meeting. Mr. Williams will communicate this to the Fire Department.

Public Hearing – Canyon Concrete Land Use Change Request

Canyon Concrete Sand & Gravel, Inc. is requesting a Land Use Change to reclassify 43.97 acres from Agricultural use to Industrial use to allow the expansion of an existing gravel pit, located at 800 Eagle Ridge Road, approximately 0.5 miles east of Highway 120 West, west of Thermopolis. Planner Bo Bowman reviewed the process leading up to today's hearing. The land use change request has been forwarded to the Commissioners with a do-pass recommendation, subject to six conditions of approval. The hearing has been advertised properly and all affected landowners have been notified. Mr. Bowman noted that the applicant intends to retain the irrigation permit for the land in question for after the pit is closed and remediation is complete. Mr. Bowman also suggested the Commissioners consider inclusion of an additional condition of approval stating that the land use change would expire upon complete remediation of the pit. Chairman Basse declared the public hearing open at 11:10 a.m. Dan Arima was present representing the applicant. Mr. Arima answered the Commissioners' questions regarding plans for the expansion. After three calls for public comment, receiving none, Chairman Basse declared the hearing closed at 11:16 a.m. The Commissioners completed the Absolute and Relative Policies checklists for the change request. Condition 5 from the Land Use Planning Board was reworded to reflect that the land use designation would revert to agricultural use after closure and remediation of the pit. John Lumley moved to approve Canyon Concrete Sand & Gravel, Inc's request for a Land Use Change to reclassify 43.97 acres from Agricultural to Industrial to allow the expansion of an existing gravel pit, located at 800 Eagle Ridge Road, approximately 0.5 miles east of Highway 120 West, west of Thermopolis, subject to the following conditions:

1. Parking and driveway areas shall be surfaced in gravel or a similar material to reduce dust.
2. Any exterior lighting associated with the pit expansion shall be shielded and downcast. Prior to the excavation of any gravel, an exterior lighting plan shall first be submitted for the review and approval of staff. This lighting plan shall provide for illumination while minimizing the number, direction, and intensity of light fixtures when viewed from off-site.
3. A Weed Management Plan shall be submitted for the review and approval of staff.

4. The applicants shall provide for regular solid waste removal, in a covered vehicle or trailer, to an approved landfill. Containers shall be screened, covered, or protected to prevent blowing trash.
5. This approval is for a commercial gravel pit only, and no other Industrial activities are permitted. Should the applicant wish to establish another Industrial use on the property, a new Land Use Change must be approved by the County. Following the closure of this pit and its reclamation in accordance with DEQ requirements, the Land Use Category of the property shall revert back to Agricultural.
6. All necessary state and federal permits (Air Quality, Storm Water Discharge, WYPDES, etc.) shall be obtained prior to the operation of the facility. Copies of all state and federal permits obtained shall be provided to the County Planning Office.

Tom Ryan seconded the motion. Discussion: The Checklist scores were as follows: Commissioner Basse, +5; Commissioner Lumley, +1; and Commissioner Ryan, 0. Motion carried.

Tax Rebates & Supplementals

Assessor Shelley Deromedi presented the following tax rebates for the Commissioners' approval:

1. Rebate #3-15 – Parcel #3377 for tax year 2014 (District 100) – GAS VENTURES LLC–DOR NOVC 2014-1080. Gas Ventures filed amended return to correct discrepancies discovered by DOR in an examination of Severance Tax and Annual Gross Products reporting for the 2013 production year on Group #54887 at Lake Creek. There was an over assessment of 10,000 necessitating a rebate of taxes in the amount of \$632.46. John Lumley moved to approve Rebate # 3-15 for Parcel # 3377 for tax year 2014 to GAS Ventures, LLC in the amount of \$632.46. Tom Ryan seconded the motion. Motion carried.

The following Supplemental Tax Notices have been processed through Treasurer's Office:

1. Coronado Oil Company – Parcel #973 for Tax Year 2012 (District 100) DOR NOVC 2014-0996. Minerals Tax Division of DOR issued a sales volume and taxable value assessment to Coronado for tax year 2012 as a result of a Gross Products and WOGCC volume reporting discrepancy for production year 2011 in group #554 at Hand Creek. This new assessment showed an under assessment of 17,994 requiring a supplemental tax notice for 2012 in the amount of \$1136.84.
2. Marathon Oil Company – Parcel #995 for Tax Year 2012 (District 100) DOR NOVC 2015-0031. Marathon filed amended return from group #37775 at Grass Creek fir 2011 production to increase the gross sales and production volumes and to decrease the reported unit price resulting in underassessment of 10,387, requiring a supplemental tax notice for 2012 in the amount of \$656.24.

Other Business

DEQ Letter of Credit Renewal – Clerk Webber presented the annual Letter of Credit in lieu of a bond for the County's gravel pits for the Commissioners' approval. This Letter of Credit for the DEQ Permit #582(s) is provided free of charge by Pinnacle Bank. John Lumley moved to authorize the chairman's signature on Letter of Credit #002 – Permit #582(s) for the amount of \$1,000.00. Tom Ryan seconded the motion. Motion carried.

OpenGov Discussion – OpenGov is a computer software package used by some governmental entities to provide budget transparency to the public via the government's website. The Commissioners reviewed the program as used on Converse County's website and asked Clerk Webber to investigate the program further.

Youth Alternatives Discussion

Deputy County Attorney Marcia Bean appeared before the Commissioners to discuss the next steps in the process of hiring the next Youth Alternatives Director. The Commissioners agreed to meet for a work session on February 11th at 11:00 a.m. to review the applications received and set interview times.

Airport Update

FAA AIP-04 Request For Reimbursement #8 – Jeremy Gilb presented FAA Request for Reimbursement #8 for the Commissioners' approval. John Lumley moved approval of FAA Project 3-56-0043-04 RFR #8 in the amount of \$192,528.44. Tom Ryan seconded the motion. Motion carried.

WYDOT-Aeronautics Division THP-11E-3030 Request for Reimbursement #8 – Mr. Gilb presented WYDOT-Aeronautics Division Request for Reimbursement #8 for the Commissioners'

approval. Tom Ryan moved approval of WYDOT-Aeronautics Division Project THP-11E-3030 RFR #8 in the amount of \$17,114.46. John Lumley seconded the motion. Motion carried.

WYDOT-Aeronautics Division THP-12A #1 – Mr. Gilb presented WYDOT-Aeronautics Division THP-12A Request for Reimbursement #1 for the Commissioners' approval. This is the first draw down on the grant for the SRE / Terminal Building project. John Lumley moved approval of WYDOT-Aeronautics Division THP-12A Request for Reimbursement #1 in the amount of \$19,575.00. Tom Ryan seconded the motion. Motion carried.

Phase III Update – Change Order #6 – Mr. Gilb presented Change Order #6 for the Phase III project for the Commissioners' review and discussion. This change order adds additional gates and end panels to the wildlife fence, more delineators to increase the safety of the airport road, and increases the number of contract days by 30 working days. Total additional costs for the change order are anticipated at roughly \$6,388.76. This change order has not yet been approved by the FAA and WYDOT.

Phase IV Update – Change Order #2 – Mr. Gilb presented Change Order #2 for the Phase IV project for review. This change order increases the number of contract days by 42 working days. There will be no additional costs to this change order.

Phase V Update

- a. Federal Grant Application – Phase V Airfield Lighting & NavAids – Mr. Gilb presented the federal grant application for Phase V – Airfield Lighting & NavAids for the Commissioners' consideration. John Lumley moved to approve the chairman's signature on the grant application for AIP No. 03-56-0043-05 in the amount of \$2.7 million. Tom Ryan seconded the motion. Motion carried.
- b. State Grant Application – Phase V Airfield Lighting & NavAids – Mr. Gilb presented the application for the WYDOT Aeronautics Division portion of the Phase V grant for the Commissioners' consideration. Tom Ryan moved to approve the chairman's signature on the grant application for THP-11F in the amount of \$240,000.00. John Lumley seconded the motion. Motion carried.
- c. Project Pre-Application for AWOS III-PT Upgrade – As part of the Phase V project, the State would like to see the AWOS II component upgraded to AWOS III-PT, as WYDOT Aeronautics wants to see the AWOS III-PT upgrade installed at all airports within Wyoming. The State will cover the \$60,000.00 cost of this upgrade at a 90/10 ratio. Tom Ryan moved to approve the chairman's signature on the Project Pre-Application Data Sheet for the AWOS III-PT upgrade. John Lumley seconded the motion. Motion carried.
- d. State Grant Application – AWOS III-PT Upgrade – Mr. Gilb presented the State Grant Application for the AWOS III-PT upgrade in the amount of \$60,000.00 (\$54,000.00-State funds, \$6,000.00-Local match) for the Commissioners' consideration. Tom Ryan moved to approve the chairman's signature on the AWOS III-PT Upgrade State Grant application. John Lumley seconded the motion. Motion carried.
- e. High Plains Power Proposed Systems Requirements Form – Mr. Gilb presented this form for the Commissioners' consideration. This is for the service to the electrical vault. John Lumley moved to authorize the chairman's signature on the High Plains Power Proposed Systems Requirements Form. Tom Ryan seconded the motion. Motion carried.

WYDOT Group Seal Coat & Marking Project – Scope of Work – Mr. Gilb presented the Scope of Work for the WYDOT Group Seal Coat & Marking project for the Commissioners' consideration. WYDOT Aeronautics has reviewed and approved this Scope of Work. John Lumley moved to approve the Project Scope of Work for State Project THP-17A. The grant application was previously approved in the amount of \$200,000 (\$180,000 state and \$20,000 Local Match). Tom Ryan seconded the motion. Motion carried.

SRE/Terminal Building Update – Categorical Exclusion Form – Mr. Gilb presented the Categorical Exclusion form for State Project THP-12A – SRE/Terminal Building for the Commissioners' consideration. This deals with the NEPA requirement to address potential environmental factors affecting the construction of the SRE/Terminal Building. Tom Ryan moved to authorize the chairman's signature on the CEF. John Lumley seconded the motion. Motion carried.

Minimum Standards Discussion – Mr. Spomer reviewed the comments received from the FAA and WYDOT on the draft minimum standards document, and outlined the next actions required of the Commissioners to move forward with this document. The Commissioners agreed to keep the Minimum Standards Document as a single document containing Commercial Standards and Airport Rules & Regulations. Commissioner Basse will check with LGLP regarding required insurance coverage. The definition of an FBO was reviewed and agreed upon. The Commercial Activities list was reviewed and the

FAA's suggestions for striking some of the activities were accepted. Pipeline Patrol and Power Line Observation will not continue to be listed activities. Commissioners agreed to add Airport Courtesy Car to the Commercial Aeronautical Activity list.

Consider Hangar Lot Lease Agreement – Mr. Spomer anticipates having a proposed lease lot exhibit for consideration at the meeting on the 17th. Regarding the relevant conditions stemming from the Grant Assurances in the leases – the Commissioners declined to include WYDOT or Airport Master Plans in the definition of terms. On the recommendations that tenants be required to agree to any FAA and WYDOT grant assurances, the County Attorney suggested that a more reasonable approach would be to include a statement that the tenant will agree to obey all federal, state and local laws and regulations in the construction and use of the property. The Commissioners found this suggestion acceptable. GDA will submit a Minimum Standards document in final form for consideration at the meeting on the 17th.

Wyoming Airport Operators Association – After discussion with Mr. Spomer and Mr. Gilb, the Commissioners decided to participate in the WAOA. The Commissioners are also considering participating in the FAA Northwest Mountain Region Conference in Seattle, Washington early April 2015.
