

STATE OF WYOMING )  
 )  
COUNTY OF HOT SPRINGS )

OFFICE OF THE BOARD OF  
COUNTY COMMISSIONERS  
THERMOPOLIS WYOMING  
June 2, 2015

The Hot Springs County Board of Commissioners met in regular session on Tuesday, June 2, 2015 at 9:00 a.m. in the Commissioners Room at the Courthouse.

Present were Commissioners Brad Basse, John Lumley and Tom Ryan. Also present were County Clerk Nina Webber, County Attorney Jerry D. Williams and Administrative Assistant to the Commissioners Penny Herdt. Brad Basse led those present in the Pledge of Allegiance.

### **Approval of Agenda**

John Lumley made a motion to approve the agenda with the following changes:

- |                |                          |  |
|----------------|--------------------------|--|
| <b>ADD:</b>    | <b>Regular Business</b>  | 3.b. Museum Bid Discussion                   |
|                |                          | 11.a. AIP 04/THP-11E RFR #13                 |
|                |                          | 12. Airport Road Naming                      |
|                | <b>Executive Session</b> | Potential Litigation                         |
| <b>DELETE:</b> | <b>Other Business</b>    | 4. Joint Law Enforcement Agreement Extension |

Tom Ryan seconded the motion. Motion carried.

### **Approval of Minutes**

Tom Ryan made a motion to approve the minutes of the regular meeting on May 5 and May 19, 2015 as submitted. John Lumley seconded the motion. Motion carried.

### **Road and Bridge Monthly Report**

Road & Bridge Supervisor Dave Schlager reported on the effects of the recent heavy rains in the county. The washout on Kirby Creek Road has been repaired. Buffalo Creek Road is essentially closed pending repairs to a large mudslide and two major sluffs. Repairs will begin once these areas dry out some and can be stabilized. Grass Creek Road had a large washout due to plugged culverts and is currently under repair. Lucerne Pumping Plant Canal Company and Owl Creek Irrigation District had an area of damage on West Sunnyside Road due to the separation of a cement pipe joint. Road & Bridge has worked with them to complete repairs in this area. Mr. Schlager reported that his employee on FMLA leave will be transitioning to a regular leave this month. The employee anticipates returning to work by the end of June.

### **County Road 19 – Everett Jones**

County resident Everett Jones and his lawyer, Dave Clark, appeared before the Commissioners to continue the discussion held in the past regarding County Road 19. There has been some confusion regarding where the County's legal right of way actually lies versus the location of the existing road. Mr. Jones' culvert at his point of highway access has washed out due to recent heavy rains and he is asking that the County replace the culvert/build a bridge across Kirby Creek, and place rip-rap in the creek bed to keep it from washing any deeper. As this area lies on property that Mr. Jones does not acknowledge as being within the County's legal right of way at this time, the Commissioners were not inclined to perform the work requested by Mr. Jones. R&B Supervisor Dave Schlager asked if Mr. Jones was willing at this time to acknowledge the location of the right of way as shown on the Templeton survey map. Mr. Clark said Mr. Jones is unwilling to concede this at this time. Chairman Basse asked that Mr. Clark and Mr. Jones continue the dialogue with the County to establish the location of the road and the right of way so that any necessary road maintenance and repairs can proceed in a timely fashion.

### **Maintenance Monthly Report**

Maintenance Foreman Chuck Carver reported the work on the JLEC ventilation system has been completed. Two of the four closers on the front courthouse door have been replaced, and work continues to clean and refinish those doors.

District Court Temperature Issue – Clerk of District Court Terri Cornella appeared to ask the Commissioners to return local control of the temperatures on the third floor to her office. Mr. Carver indicated that it would cost approximately \$800 for Long Controls to come in and return local control to all

the offices in the Courthouse. The Commissioners asked Mr. Carver to see that this happens as soon as possible. Costs will come from Mr. Carver's budget.

Law Enforcement Sidewalk Bids – Clerk Webber reported one bid had been received, from Patterson Construction, in response to advertising for the JLEC Sidewalk Repair project. The bid was opened and the amount was \$6,225.00 for the original specifications, plus \$1,500.00 for over-excavation if necessary, for a total bid of \$7,725.00. Mr. Carver noted that the total budget line for sidewalk repairs at various locations was \$25,000.00, and asked that the scope of this project be expanded to include installation of a Handicapped Accessible curb cut at the east end of the alley behind the courthouse. Tom Ryan moved to accept the bid from Patterson Construction for the JLEC Sidewalk Repair project in the amount of \$6,225.00 plus up to \$1,500.00 for over-excavation if needed, and waiving the June 30, 2015 completion requirement. John Lumley seconded the motion. Motion carried. Mr. Carver will notify Patterson Construction of the award. John Lumley moved to authorize Mr. Carver to seek a quote for installation of the curb cut concurrent with the JLEC Sidewalk project, with consideration for approval at the June 16<sup>th</sup> meeting. Tom Ryan seconded the motion. Motion carried.

Museum Bids – Two bids for repairs to the front of the museum were found by the staff of the museum in paperwork on the director's desk. The bid envelopes had never been sealed. One bid was dated 9/12/2014, and the other 10/14/2014. Due to the age of the bids, the Commissioners felt the pricing would no longer be valid. Mr. Carver was directed to work with staff at the Museum to create a scope of work to include these repairs with the ongoing roof repair project.

### **Planner Monthly Report**

Planner Bo Bowman reported that Toddi Darlington has been appointed Chairman of the NRPC as Bob Overton stepped down for health reasons. Mr. Overton remains on the NRPC as a committee member. The Land Use Planning Board will not meet in June. Mr. Bowman reviewed the process for septic system permits in the County. Mr. Bowman noted that he has submitted comments in his capacity as Planner on the State Park Plan and BLM BHB Resource Management Plan. The annual Gravel Pit inspection tour will take place on June 10<sup>th</sup>. Representatives of the DEQ and the BLM geologist will participate along with Mr. Bowman and R&B Supervisor Dave Schlager. The Commissioners are welcome to attend if they wish. Commissioner Lumley invited Mr. Bowman to attend the WYDOT STIP meeting in Thermopolis on June 17<sup>th</sup>, and a meeting with ERG in Cody on June 19<sup>th</sup> regarding the BHB RMP.

### **HSC Recreation District – State Parks Lease Discussion**

Rec District representatives Tobi Johansen and Mark Whitt appeared before the Commissioners to discuss the Rec District's desire to obtain a separate lease with the State Parks Division for the ball fields. The Rec District would also like to see the Armory Joint Powers Board dissolved and would like to take over the responsibility for the Armory building. It has proven quite difficult to obtain grants and loans with the Joint Powers Board in charge of the Armory, and the Rec District Board perceives that it would be easier to obtain these kinds of funds if the Armory was operated under the auspices of the Rec District Board. All of these changes must be approved by the Commissioners before they can move forward. Currently, the ball fields are part of the Fairgrounds lease. Fair Board representative Dave Schlager indicated that the Fair Board was willing to enter negotiations over the leases with the Rec District Board if both sides could make a good faith effort. The Commissioners asked that the Fair Board and the Rec Board work together to present a resolution regarding the leases for approval by the Commissioners at a future meeting. Regarding the Joint Powers Board, the Commissioners had no objection to the Rec Board investigating the option of transferring responsibility for the Armory to the Rec Board. The Rec Board will report back to the Commissioners on this item.

### **Emergency Management Monthly Report**

Emergency Management Coordinator Bill Gordon presented the Wyo-Link Dispatch Console Upgrade revision for the Commissioners' consideration. John Lumley moved to approve the Agreement to Purchase proposal from Motorola in the amount of \$198,247.00 with the costs to be split 50/50 with the Town of Thermopolis. Tom Ryan seconded the motion. Discussion: \$125,000.00 of the costs will come from Consensus Grant funds, with the balance of \$73,247.00 to be split 50/50 between the Town of Thermopolis and Hot Springs County. Motion carried.

Mr. Gordon reported that the Bureau of Reclamation will be increasing the Boysen release rate to 5500 cu/ft./minute to accommodate the recent heavy rainfall and spring snowmelt. There is currently approximately 6-7" of space in the storage pool before the water level rises to the flood pool in the

Boysen Reservoir. If the water reaches the flood pool level, the Army Corps of Engineers will assume control of the releases from the reservoir. As a result of the recent weather and related events, Mr. Gordon informed the Commissioners that the allotted contract Code Red Alert minutes have been expended, and asked for permission to purchase more minutes as needed until the contract comes up for renewal. Citing public safety concerns, the Commissioners authorized Mr. Gordon to purchase the necessary minutes.

### **Jeff Schroeder – Civilian Complaint**

Local resident Jeff Schroeder appeared before the Commissioners to file a complaint regarding issues he is having with the County Attorney, Sheriff's Department and Town Police Department. Mr. Schroeder stated that he had contacted the State Attorney General's office with his issues and the AG's office directed him to take these issues up with the Commissioners. Chairman Basse explained to Mr. Schroeder that the Commissioners had no authority over any other elected official or office outside of setting budgets and addressing funding requests. Mr. Schroeder was advised to contact the FBI office in Lander if he felt that his civil rights were being violated. Chairman Basse asked Mr. Schroeder to provide contact information for the person in the AG's office who had directed him to bring his complaint before the Commissioners. Mr. Schroeder declined to do so.

### **Tax Rebates & Supplemental**

Assessor Shelley Deromedi presented the following rebate for the Commissioners' approval:

1. Rebate #9-15 – Parcel #4821 for tax year 2013 (District 100) – LEGACY RESERVES OPERATING LP – DOR NOVC 2015-0424 - Oil production at Kirby Creek Group # 10152 during 2012. Legacy filed amended return on their own initiative which resulted in an over assessment of \$7,373 for tax year 2013. This necessitates a rebate of taxes in the amount of \$462.53. JL moved to approve Rebate #9-15 to Legacy Reserves Operating, LP for parcel #4821 for tax year 2013 in the amount of \$462.53. TR seconded the motion. Motion carried.

The following supplemental tax notice has been processed through the Treasurer's office:

1. Legacy Reserves Operating LP – DOR NOVC 2015-0397 - Parcel #4821 for tax year 2013 (District #100) – Oil Production at Kirby Creek, Group #010152 during 2012. Legacy filed amended return to correct volume allocation discrepancies discovered between WOGCC Form 2 Reporting and Annual Gross Products Reporting for the 2012 production year at Kirby Creek, Group #10340, resulting in underassessment of \$7,389, taxes in the amount of \$463.54.

### **Lynn Beeson/Todd Shade – Red Lane Issues**

Lynn Beeson and Todd Shade appeared before the Commissioners asking them to consider taking a closer look at the infrastructure needs of the Red Lane area, and the domestic water situation in Red Lane. The Commissioners provided Ms. Beeson and Mr. Shade with information on some of the other water groups in the area that might be able to provide the Red Lane water groups with some guidance with their issues. Mr. Shade was also provided with contact information for Mat Cordingly with the Lucerne Water District to discuss installation of a hydrant off the Lucerne Water line running through Red Lane.

### **Youth Alternatives Monthly Report**

Youth Alternatives Director Barbara Rice reported there are currently eight females and one male participating in the program. Ms. Rice informed the Commissioners that there will be an "Alive at 25" safety program for the youthful drivers in the County on Friday. At this time there are about 15 people signed up for the program.

### **Executive Session – Potential Litigation**

John Lumley moved to enter Executive Session for reasons of potential litigation at 1:00 p.m. Tom Ryan seconded the motion. Motion carried. Tom Ryan moved to leave Executive Session at 1:32 p.m. No action was taken during the Executive Session. After leaving Executive Session, the Commissioners authorized Chairman Basse to respond to Thomas Perry, Trane, Inc.'s North America collections counsel via email, with copies to all Commissioners and the County Attorney.

## **Airport Update**

FAA AIP-03 Request for Reimbursement #14 – Dustin Spomer presented FAA RFR #14 for the Commissioners' approval. John Lumley moved approval of FAA Project 3-56-0043-03 RFR #14 in the amount of \$209,925.76. Tom Ryan seconded the motion. Motion carried.

WYDOT-Aeronautics Division THP-11D Request for Reimbursement #14 – Mr. Spomer presented WYDOT-Aeronautics Division RFR #14 for the Commissioners' approval. John Lumley moved approval of WYDOT-Aeronautics Division Project THP-11D RFR #14 in the amount of \$18,660.16. Tom Ryan seconded the motion. Motion carried.

FAA AIP-04 Request for Reimbursement #12 – Mr. Spomer presented FAA RFR #12 for the Commissioners' approval. Tom Ryan moved approval of FAA Project 3-56-0043-04 RFR #12 in the amount of \$254,174.79. John Lumley seconded the motion. Motion carried.

WYDOT-Aeronautics Division THP-11E Request for Reimbursement #12 – Mr. Spomer presented WYDOT-Aeronautics Division RFR #12 for the Commissioners' approval. Tom Ryan moved approval of WYDOT-Aeronautics Division Project THP-11E RFR #12 in the amount of \$22,593.32. John Lumley seconded the motion. Motion carried.

FAA AIP-04 Request for Reimbursement #13 – Mr. Spomer presented FAA RFR #13 for the Commissioners' approval. Tom Ryan moved approval of FAA Project 3-56-0043-04 RFR #13 in the amount of \$10,571.64. John Lumley seconded the motion. Motion carried.

WYDOT-Aeronautics Division THP-11E Request for Reimbursement #13 – Mr. Spomer presented WYDOT-Aeronautics Division RFR #13 for the Commissioners' approval. Tom Ryan moved approval of WYDOT-Aeronautics Division Project THP-11E RFR #13 in the amount of \$939.71. John Lumley seconded the motion. Motion carried.

WYDOT-Aeronautics Division THP-12A Request for Reimbursement #5 – Mr. Spomer presented WYDOT-Aeronautics Division THP-12A RFR #5 for the Commissioners' approval. John Lumley moved approval of WYDOT-Aeronautics Division THP-12A RFR #5 in the amount of \$46,635.59. Tom Ryan seconded the motion. Chairman Basse abstained from the vote due to his status as a subcontractor on the project. Motion carried.

Phase III & IV – Mr. Spomer noted that there has been some delay in completion due to the recent severe weather, but the minimal amount of work to be done should be finished in the next few days.

Phase V Update – The County Attorney has finished his review of the Contract with Mountain West Electric and finds it to be acceptable. Chairman Basse signed the contract per the Commissioners' action at their May 19<sup>th</sup> meeting. John Lumley moved to approve the issuance of the Notice to Proceed to Mountain West Electric. Tom Ryan seconded the motion. Motion carried. The Pre-Construction meeting for the Phase V project has been set for June 11<sup>th</sup> at 1:00 p.m. at the job site. Mr. Spomer presented the Construction Contract & Easement Agreement with High Plains Power for electrical service at the apron. Concurrence with the contract has been received via email from the FAA. Tom Ryan moved to approve the chairman's signature on the contract between High Plains Power and Hot Springs County for a total amount of \$34,639.00. John Lumley seconded the motion. Discussion: After applying the outstanding credit with High Plains Power of \$20,486.00, the balance to be remitted is \$14,171.00. Motion carried.

Fuel Tank Update – Mr. Spomer reported that Eaton Tank is not able to provide a split-tank option for the new fuel system. The cost for two separate tanks is roughly \$250,000 – \$300,000. Mr. Spomer reviewed the County's options for paying for the new system. He will provide firm numbers, FAA/WYDOT assurances and a State funds loan application for consideration at the June 19<sup>th</sup> meeting. The Commissioners asked Mr. Spomer to set up a work session with Nate Messenger regarding options for his participation in activities at the new airport.

Seal Coat & Mark Project – Concurrence has been received from WYDOT for this project. Mr. Spomer presented the grant award letter for the Commissioners' consideration. John Lumley moved to authorize the chairman's signature on the Seal Coat & Mark Airside Pavements grant agreement from WYDOT in the amount of \$154,702.00 – 90/10 match. Tom Ryan seconded the motion. Motion carried. John Lumley moved to authorize the chairman's signature on the Notice of Award for the Seal Coat & Mark project to Straight Stripe Painting, Inc. in the amount of \$131,157.00. Tom Ryan seconded the motion. Motion carried.

AWOS Upgrade – Mr. Spomer presented the State grant agreement for the AWOS Upgrade portion of the Phase V project for the Commissioners' consideration. Tom Ryan moved to authorize the chairman's signature on the WYDOT Grant agreement for the AWOS Upgrade from Type II to Type III P/T in the amount of \$35,000.00 – 90/10 match. John Lumley seconded the motion. Motion carried.

SRE/Terminal Building – Foundation walls should be poured this week.

T-Hangars – The County Attorney has indicated that the County is not required to advertise for bids on removal/relocation of the T-Hangars. Mr. Spomer will draft an agreement for the Commissioners' consideration for use in negotiating the sale/removal /relocation of the T-Hangars from the old airport to the new airport. Current hangar tenants Ray Arey and Stan & Phyllis Thomas commented on their plans for relocating to the new airport. Chairman Basse and Mr. Spomer reviewed the requirements for relocation of the T-Hangars with Mr. Arey and Mr. & Mrs. Thomas.

Grand Opening – The Commissioners discussed plans for the grand opening of the airport. Mr. Spomer will contact the Governor's Office, the Aeronautics Commission and members of Wyoming's Congressional delegation initially to get an idea of open dates, with a rough date of October/November for the grand opening.

### **Other Business**

Draft Letter – Change in Scope for Fair Building Floor Project – Anthony Barnett, project engineer, presented a letter to the Office of State Lands & Investments revising the original scope of the Fair Building Floor Project to bring it in line with the changes approved at the last Commissioner's meeting. After reviewing the letter and supporting documents, John Lumley moved to approve the Chairman's signature on the letter to Beth Blackwell, Grants & Loans Manager for the OSLI requesting a change to the original scope of the Consensus project as presented. Tom Ryan seconded the motion. Motion carried.

Liquor License Discussion – Clerk Webber informed the Commissioners that the Flying Dutchman's liquor license was not renewed this year and requested direction regarding advertising of the availability of the license. The Commissioners did not feel it was necessary to advertise the availability of the license. Any applications submitted for the license will be considered in the order in which they are received.

Landfill Agreement Extension – Clerk Webber presented the Extension of Landfill Agreement between the Town of East Thermopolis, Town of Kirby, Town of Thermopolis and Hot Springs County for the Commissioners' consideration. The County Attorney has reviewed the Extension Agreement and has no problems with it. John Lumley moved to authorize the Chairman's signature on the Extension of Landfill Agreement between the Town of East Thermopolis, Town of Kirby, Town of Thermopolis and Hot Springs County for time period of March 4, 2015 – July 1, 2017, using the cost distribution percentages outlined in the original agreement signed in 2011. Tom Ryan seconded the motion. Motion carried.

### **Airport Road Naming**

After due consideration, John Lumley moved to approve Resolution 2015-04 naming the entry road to the new airport Manning Road as follows:

#### **RESOLUTION 2015-04**

#### **A RESOLUTION TO NAME NEW AIRPORT ENTRY ROAD**

**WHEREAS** the Hot Springs County Board of Commissioners finds a need to name the primary access road off Highway 120 West to the new airport located at 1046 Highway 120 West, and

**WHEREAS** the County requires that primary access roads consisting of three or more structures be named prior to assigning fire numbers to ensure service by law enforcement and emergency,

**NOW THEREFORE BE IT RESOLVED** by the Hot Springs County Board of Commissioners that the primary access road for the new airport located at 1046 Highway 20 West shall be known henceforth as

#### **MANNING ROAD**

**APPROVED AND ADOPTED** this 2<sup>nd</sup> day of June, 2015.

ATTEST:

Nina Webber, County Clerk

Brad Basse, Chairman  
John Lumley, Vice-Chairman  
Tom Ryan, Commissioner

Tom Ryan seconded the motion. Motion carried.

**Correspondence**

**Office of Homeland Security** – Grant Funds Allocation Date  
**U.S. Forest Service** – Shoshone Travel Management Plan Response  
**NACO** – Voting Credentials Application  
**Chamber of Commerce Newsletter** – June, 2015
